DAN KARCHER CONSTRUCTION

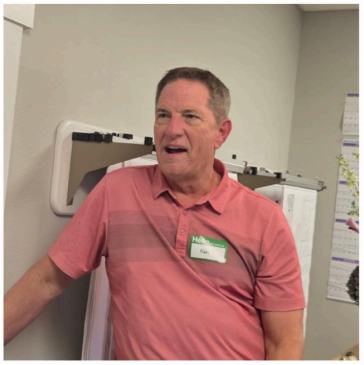

WHO DO YOU KNOW THAT CAN BENEFIT FROM OUR SERVICE?

Owner Appreciation Party: A Night of Gratitude, Great Food, and Great Company

EXIT

Dan Karcher Construction recently had the pleasure of hosting an Owner Appreciation Party to celebrate the clients who make what we do possible. From long-standing customers who have been with us for years to those we've partnered with more recently, the evening was all about saying *thank you*.

The turnout was fantastic, with clients and team members coming together to enjoy an evening of conversation, laughter, and connection. A highlight of the night was the incredible catering by Barbara's Kitchen. The food was nothing short of amazing—beautifully presented, thoughtfully prepared, and enjoyed by everyone in attendance. It truly set the tone for a warm and welcoming celebration.

As part of the evening, gifts were given as a small token of our appreciation. It was important to us to recognize the trust our owners place in Dan Karcher Construction and to acknowledge the relationships that have grown over time.

Our employees thoroughly enjoyed hosting the event and celebrating the people we are proud to call our customers. It was a reminder that our work is about more than buildings—it's about relationships, trust, and community.

To everyone who joined us, thank you for being part of the Dan Karcher Construction story. We look forward to many more years of working together.

OUR NEWEST PROJECT BREAKS GROUND

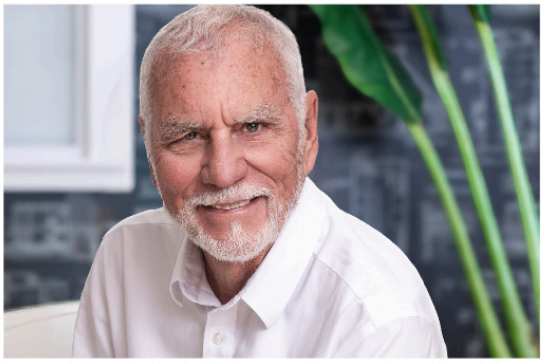

This Clearwater home represents more than a new construction project—it marks the continuation of a long-standing relationship. After the owners' previous home was flooded during Hurricane Helene, the decision to rebuild came with both challenges and hope for the future.

These homeowners are especially meaningful to Dan Karcher Construction. We've had the privilege of working with them for many years on their former residence, and now we are honored to be designing and building their new dream home. We do not take their trust in us lightly.

This project is about resilience, renewal, and moving forward with intention. We are excited to bring our clients' vision to life in a home designed for the future—one that reflects their needs, their style, and the lessons learned along the way.

Working with long-term customers like these is at the heart of what we do, and we are grateful to be part of this next chapter.

Get to Know Us

Quarterly Question: What's your New Year's Resolution?

Miriah: “Slow down, be more present, and value people over pressure—so I can fully enjoy the journey and the people God has placed in my life.”

Dan: "No drinking in January."

Jill: "Go to a new destination and do something I have not done before!"

Kendall: "My resolution is to not make any resolutions in haste, so I've decided that I'm going to work on not procrastinating this year :)"

Stephanie: "My New Year's resolution is to end my year with a healthier mind and body than I started the year with."

Steven: "My resolution is to finally finish the washer and dryer install I started last year at my house. I'm taking volunteers to crawl under the house for me!"

Patricia: "My 2026 resolution is to get better at golfing and make more room in my life for imperfection. The goal is to be consistent, not perfect!"
